*For practical and pragmatic reasons, mainly associated with the COVID-19 pandemic, the Trust Board did not convene in person for the meetings scheduled to take place in April and August 2020. In consequence, all matters of important business for the Board were dealt with via email communication, with Trustees responding to the papers for each meeting which were circulated in advance, as usual, and also contributing views and raising questions on the issues arising. The Executive Team had subsequently provided the responses required and records of how the Board addressed the key issues in the absence of the scheduled meetings were prepared. These will be lodged in the minute book in due course.
